August 2019 ANA World Paper Money Auction

The World Currency Department of Stack's Bowers Galleries is proud to offer the catalog for our flagship 2019 August ANA Auction, held at the Donald E. Stephens Convention Center in Rosemont, Illinois. A few of the most scarce notes in World Paper Money can be found within this catalog, with some being the finest, and in a few cases the only notes known for their type. This is by far one of the most highlight heavy World Paper Catalog we have offered in quite a while. This should entice collectors and dealers alike to prepare for quite a bit of spending.

One of the strongest countries for highlights within this catalog is India. A complete Haj Pilgrim Issue set is available, and split into three lots with Pick R1 to R4 in lot 30223, the R5 in 30224, and the R6 in lot 30225. Lot 30226 offers an ultra rare UNC 2 Rupees, 8 Annas in a PMG CU64 holder that we are offering for the first time. Additionally, an astonishing 10,000 Rupees Specimen (P-50As) will be offered in Lot 30239. It is our belief that this is likely the only known example as no others are registered on the PMG population report. In lot 30238, in issued form, the finest PMG Graded Pick 49a 5000 Rupees, a VF30 will be offered. This high denomination and the aforementioned Indian lots will surely stand out in even the most advanced collections of not just Indian paper money, but Paper Money in general.

We have a very strong showing in Philippines, including a few 500 Pesos pieces. One such example is the 1906 Silver Certificate (P-33c) in lot 30378. Additional highlight worthy 500 Pesos pieces can be found in both lot 30390 (Pick 67) and lot 30391 (Pick 72).

Other highlights include a stunning and incredibly rare finest graded and fully issued GEA 500 Rupien with Excellent Embossing in Lot 30208. Additionally, a vibrant Pick 1 AU58 Haj Pilgrimage 10 Riyals will be available in Lot 30436. A private collection of Greenland 1911 issue low serial numbers will be offered in lots 30213, and 30214.

Per usual, we have a strong showing of Canadian currency with a rare 1831 Upper Canada 1 Dollar in lot 30105 and a 1864 Upper Canada 4 Dollar Issued Note in lot 30106. Impressive Banque d'Hochelaga Waterlow specimens are found in both lot 30107 and 30108. An always popular 1935 \$1000 from the CBNC in issued form is available in lot 30100.

Some pieces originally from the Eldorado Colombian collection will be offered in this sale in addition to some excellent Colombian pieces from other private collections. One such piece that rivals the example once offered in the Eldorado collection is the rare Republica de Colombia remainder sheet in lot 30121. Other notable areas to pay attention to are our Bahamas section featuring many high grade issued pieces, and beautiful specimen groups, along with our Belgium section with many single digit serial number pieces including an elusive Pick 139 Super Serial Number One #0001 A 001 in lot 30036.

As mentioned earlier, words do not adequately express our excitement of this offering. We expect this to be a collector driven auction with a robust group of live auction bidders as well as bidders joining in from all over the world via our state-of-the-art online bidding technology. As always, we thank you for your interest in our auction, and hope you will not hesitate to reach out to us if you have any questions regarding the lots offered here.

With Appreciation,

Aris Maragoudakis

30018

BAHAMAS. Central Bank of Bahamas. 100 Dollars, 1974 (ND 1984). P-49. PMG Superb Gem Uncirculated 67 EPQ. Printed by TDLR. Simply a rare issue with the Allen signature. This particular example is also the sole finest certified example on the PMG census for both the Issued and Specimen version of the note. Scarce and in demand with only 11 graded by PMG which seems low given the modern age of the note. This is a piece that belongs to a worthy QEII collector who has other key dates and will appreciate this rarity.

\$7,500-\$12,500

30019

A "Repaired Tear", and "Pinholes" mentioned in the comments section of this otherwise extremely pleasing and desirable piece.

\$1,000-\$1,500

Scarce 20 Francs Serial Number 3

30030

BELGIUM. Societe Generale de Belgique. 20 Francs, 1915-1918. P-89. PCGS Extremely Fine 45. Serial Number 3. A scarce design in any form or grade but seen here in a beautiful EF45 holder with only a mention of "Pinholes" in the comments, which are typically found on this note. This survivor, the finest we have handled by any stretch, has a remarkably collectable serial number of A000003.

\$3,000-\$4,000

100 Francs Serial Number 3

30031

BELGIUM. Societe Generale de Belgique. 100 Francs, 1914-1918. P-90. PCGS Extremely Fine 40. Serial Number 3. This is the highest denomination of this run of low serial numbers from Belgium. This 100 Francs note is also seen with Serial Number A000003. Repaired Tears, Pinholes mentioned in the comments section. This is the finest we have handled, and the first for the date. We are happy to offer it with the desirable low serial number.

\$4,000-\$5,000

Rare 1938 Dated 10,000 Francs

30032

BELGIUM. Banque Nationale de Belgique. 10,000 Francs, 1938. P-105. PCGS GSG Choice About Uncirculated 58. An incredible large format 1938 dated 10,000 Francs. This note carries the rarest of the printed date, and unlike many of these, it shows without repairs or issues like tears and significant holes. One of the finest we have ever handled in general, but worth noting even more so with this variety. Faces up with beautiful blue color with just a heavier fold most noticed on the reverse accounting for grade.

\$2,000-\$3,000

1938 10,000 Francs

30033

BELGIUM. Banque Nationale de Belgique. 10,000 Francs-2000 Belgas, 1938. P-105. PCGS Choice About New 55. Another rare 1938 dated 10,000 Francs. This large format 10,000 Francs from Belgium is one of the most beautifully designed notes in the spectrum of World Paper Money. The color on this piece is striking and uncommon for the type as the paper and ink used typically causes most of the examples of these notes to be faded and heavily problematic. The vignettes are life-like with Poseidon holding his trident. Allegorical figures including Demeter (Ceres) at left and Poseidon (Neptune) at right. Both are seen with horses below them and maidens below the horses. At center is a statuesque Lion resting above the obligation. Marvelous centering with the eye appeal of a much higher grade. This is the finest graded example we have handled for the type.

\$3,000-\$4,000

Rare 1944 1000 Francs

30034

BELGIUM. Banque Nationale de Belgique. 1000 Francs, 1944. P-115. PCGS GSG Choice About Uncirculated 58 Details. Tears Repaired. An incredibly difficult to find issue, especially north of a heavily circulated VF. This one faces up like an uncirculated piece with exception of the center bend. PCGS GSG notes "Tears" and "Repaired", but these are only noticed under intense scrutiny.

\$3,000-\$5,000

30035

BELGIUM. Banque Nationale de Belgique. 1000 Francs, 1943. P-125s. Specimen. PCGS Choice About New 55. A scarce BWC banknote. Red overprints. High denomination of 1000 Francs. Allegorical figure at center. The finest we have handled for the grade by a long shot.

\$800-\$1,200

Super Serial Number One #0001 A 001

30036

BELGIUM. Royaume de Belgique Tresorerie. 50 Francs, 1966. P-139. PCGS About New 50 Apparent. Discoloration. Serial Number One. A Block. An astonishing offering for this 1966 Belgium piece with an A Block Serial Number 1. The full serial number 0001 A 001 makes this piece even more appealing. PCGS mentions "Discoloration" on the holder but it is our opinion that is a negligible comment when taking into account the Serial Number, the fact that all the detail of the note still remains, and the hues are easily distinguishable.

\$6,000-\$8,000

30037

BELGIUM. Royaume de Belgique Trésorerie. 50 Francs, 1966. P-139sr. Specimen Replacement. PCGS Currency Choice About New 58 PPQ. Specimen Replacement. A very high grade Specimen free of all the mounting remnants typically found on these. This is Specimen 1. A very good note to pair with the Serial Number 1 note we are also offering in the lot prior if you are lucky enough to win it.

\$1,750-\$2,250

30040

BELGIUM. Banque Nationale de Belgique. 10,000 Francs, ND (1997). P-152. PMG Choice Uncirculated 64 EPQ. Watermark of King Albert II. A high denomination note in a near Gem grade.

Even showing the last date for the type, this note is still scarce in this high end Uncirculated state, and especially so in SGU 68Q. Dazzling color and crystal clear detail of the design. Nicely margined and very difficult to improve upon.

\$1,250-\$1,750

\$600-\$1,000

BERMUDA

30046

BERMUDA. Bermuda Government. 1 Pound, 1927. P-5. PMG Choice Very Fine 35. B105a. A note missing in most collections, and especially so with this much appeal as the current example borders on an Extremely Fine state. Terrific bay view at central vignette with arms left, KGV cameo right. Problem-free paper and traces of original embossing. A small spot stain at back is likely all that prevented an EPQ designation from PMG.

\$1,600-\$2,400

30047

BERMUDA. Bermuda Government. 5 Pounds, 1966. P-21d. PMG Choice Uncirculated 64. A scarce offering with this much appeal as those typically found are in the lower mid-grade range. 30089

BURUNDI. Banque du Royaume, Provisional Issue. 500 Francs, 1960-61 (1964). P-6. PGC Currency Gem New 65 PPQ. Provisional Issue. A bright original watermelon colored 500 Francs with the Rhino vignette and a "BURUNDI" overprint found diagonally across the face. PMG has only certified two issued examples for this variety, one in EF 45, and the other in AU 50. This indicates to us that this is likely the finest known example of the type found in a Gem New 65 PPQ.

\$8,000-\$12,000

Burundi Zebra in Gem

30090

BURUNDI. Banque du Royaume, Provisional Issue. 1000 Francs, 1962 (1964). P-7. PCGS Currency Gem New 65 PPQ. This “Zebra” note from Burundi is the highest denomination for the series. PMG has seen three with the finest being a 64 without the coveted EPQ designation, which leaves this note as being the finest graded and offered in public auction. A side profile portrait of a Zebra is seen at right with a bold black “BURUNDI” overprint place diagonally at center. Detailed lathe work seen in the borders with a guilloche design throughout the central areas of the note. The combination of this lot, and the lot prior to it, are certain to be missing from even the most advanced collections in any form, but especially so anywhere near the level of this condition.

\$700-\$1,000

30098

CAMEROON. Banque Centrale. 5000 Francs, ND (1962). P-13. PMG About Uncirculated 50. These higher denomination Banque Centrale notes on Cameroun are always in high demand. Both this 5,000 Francs and 10,000 Francs seldom appear at auction and when offered the grade is usually lacking. This About Uncirculated note gives exceptional detail of the larger format design with perfect color and strong clarity. PMG mentions "Small Tear", in the comments section of the holder. Terrifically ornate and rare any better.

Rare 1831 Upper Canada 1 Dollar One of Three Known

30105

CANADA. Bank of Upper Canada. 1 Dollar, 1831. CH #770-10-10. Very Fine. A special offering of this early issue Bank of Upper Canada 1831 Dollar found in Very Fine condition with just some toning and pinholes to report. The condition is immaculate considering that most known pieces from this bank are nearly destroyed. Also, the Charlton book lists that only 2 pieces of this denomination are known, with one in an institutional collection, and the other in private hands. That would make this only the second collectable example, and by our estimation the finest. Hand Penned signatures, dates, and serial numbers. Our estimate will likely prove to be conservative.

Finest Graded GEA 500 Rupien with Excellent Embossing

30208

GERMAN EAST AFRICA. Deutsch-Ostafrikanische Bank. 500 Rupien, 1912. P-5. PMG Choice Uncirculated 63. The single finest German East Africa 500 Rupien, dated 1912, and graded Choice Uncirculated 63 by PMG. Despite a minor restoration noted on the holder for a small corner outside of the design, it is by far the nicest seen of this classic banknote which circulated for a few short years prior to World War II.

This banknote represented a huge sum of money at the time and only the largest transactions in the colony would have required a 500 Rupien banknote, equivalent to about 170 US dollars at the time. Less than 1,000 pieces were reportedly issued into circulation, making this one of the true great rarities in African and German numismatics.

Most of German East Africa would become the present-day country of Tanzania. Another former European colony, Zanzibar (under British rule until 1963), is located just off its coast and issued some of the most well-known rarities in African banknotes. While no examples are presently known of the Zanzibar 500 Rupees in issued form this German East Africa rarity with similar face value at the time would make a great addition to any advanced collection of African banknotes.

There aren't many examples that have been unearthed and this is the first we have handled that has made it to our auction floor. A significant opportunity.

\$9,000-\$12,000

Serial Number 2 1911 5 Kroner

30214

GREENLAND. Danish Administration. 5 Kroner, 1911. P-10a. Low Serial Number 2. PMG Choice About Uncirculated 58. Signatures of Wesche | Munch. Perforated borders. Arguably the most important note of this historic collection and a type that is coveted within Greenland paper money. The 1911 5 Kroner is rare in any form and seldom appears in grades above Fine. The design is sensational with a central vignette of a polar bear on ice with glacial backdrop surrounding. The inks are sharp giving strong appeal to the note while bringing out exceptional detail as well. The perforated borders are well preserved with just a touch of circulation to disclose. We sold the Serial Number 1 of this series for \$24,000 back in 2012. This serial number 2 should be an exciting offering for collectors almost 8 years later.

Excellent Haj Grouping

30223

INDIA. Reserve Bank & Government of India. 1, 5, 10 & 100 Rupees, ND (1957-1970). P-R1, R2, R3, & R4. Persian Gulf Notes. Haj Pilgrim issue. PMG About Uncirculated 55 to Superb Gem Uncirculated 67 EPQ. 4 pieces in lot. An incredible offering of this Persian Gulf note grouping. Pick numbers R1 and R2 are both in SGU 67EPQ holders and are tied for the finest graded by PMG. The R3 note shows in a CU64 with only 4 finer examples on the PMG population report. The R4 100 Rupees is seen in an AU55 holder with just 3 notes graded higher by PMG. All 4 notes boast incredible colors and detail with the typical staple holes found on each. These notes are seldom encountered and when they are, they always garner plenty of attention. It is rare to find these examples together in the same place, thus presenting a unique opportunity for interested collectors to fill their holdings with these treasures.

\$25,000-\$30,000

Haj Issue 10 Rupees

30224

INDIA. Reserve Bank. 10 Rupees, ND (1959). P-R5. Persian Gulf Note. Haj Pilgrim Issue. PMG Very Fine 30. Jhun6.13.1.1. Signature #74. Continuing this section of remarkable Haj notes is this desirable blue 10 Rupees ND (1959) example. This example is much more difficult to obtain than the earlier 10 Rupees of the issue as there are just a fraction certified compared to the R3. Ashoka column at right vignette and in left watermark. Seen with just some circulation and handling accounting for the grade. Overall an excellent collectible example as most are seen with much worse handling. Staple holes at left disclosed for accuracy. Serial Number HA197943.

\$12,000-\$13,000

Remarkable R6 Haj 100 Rupees

30225

INDIA. Reserve Bank. 100 Rupees, ND (1959). P-R6. Persian Gulf Note. Haj Pilgrim Issue. PMG Extremely Fine 40. Jhun6.13.2.1. The highlight note in this incredible run of the Haj Series. Each of the pieces in the series compliment each other wonderfully as there are very few differences among them in this Haj Pilgrim Issue. This example boasting a vibrant red color with orange and yellow hues throughout is one of only two certified at the Extremely Fine level by PMG with the other 9 examples in much worse condition. Prefix HA with HAJ arched on each side of the arched Reserve Bank of India cornice atop the note. Issuing office of Bombay noted on the bottom. H.V.R. IYENGAR signature at the Governor's panel.

Ashoka column serving as both the watermark and right vignette with noticeable lathework permeating throughout the design. Reserve Bank of India seal type 1 on the reverse with a type 4A language panel at center. 17.1 X 10.7 cm in size with just some pinholes which should be expected for the type and some stains to report that are noted on the holder.

This astonishing example is one of few treasures of not just Indian Banknotes, but World Banknotes that escape even the most prestigious of collections. The series in its entirety rivals that of the Zanzibar series, the PRC series, and German East African series on the rushmore of World Paper Notes due to their popularity, and degree of difficulty in completing. This note caps off the rarest of opportunities to own a complete set.

\$75,000-\$80,000

Ultra Rare UNC 2 Rupees, 8 Annas Pick 2 - Tied for Finest Known

30226

INDIA. British Administration. 2 Rupees, 8 Annas, ND (1917). P-2. Calcutta. PMG Choice Uncirculated 64. (3.3.1A-G) Calcutta. A special note that is rare in any state of preservation. This piece is certainly the finest we have handled and shows with the color and detail expected of an Uncirculated note. Sharp inks produce nice contrast throughout and deeply embossed overprints attest to the original paper. There are well over 60 of these pieces certified by PMG, yet, this is tied for finest graded among a few others. It's worth noting PMG comments "Good Embossing" which further indicates it's likely one of the nicer of the finer graded note. PMG also comments "Pinholes" which as seasoned collectors will note, is common for the type and to be expected. We estimate the note according to its rarity and the likeliness that it will either complete, or upgrade even most of the legendary Indian collections.

\$20,000-\$25,000

30227

INDIA. Government of India. 5 Rupees, ND (1917-1930). P-4b. Extremely Fine. Among the finest we have handled and certainly an upgrade for most collections.

From the first print in London. PMG notes Repaired, Piece Added while also mentioning the "Spindle Hole at Issue". A rare piece and worthy addition to advanced Indian Banknote collections.

\$3,000-\$4,000

Excessively Rare 100 Rupees King George V

30230

INDIA. British Administration. 100 Rupees, ND (1917-30). P-10c. PMG About Uncirculated 50. Jhun3.10.1C. Bombay. An extremely sought after treasure from the British Administration showcasing bright inks and excellent detail throughout its entirety. This tougher variety contains the H. Denning signature at lower right. PMG comments "Spindle Hole at Issue" which is as close to a guaranteed given for the type, and by our estimation, is the only mentionable defect to the paper aside from very faint handling. PMG has only certified 6 for this rare variety and only one other example besides this cracks the About Uncirculated grade level. The note boasts good centering and showcases an intricate floral pattern throughout its borders with of course the popular King George V vignette at right.

\$12,000-\$13,000

30235

INDIA. Reserve Bank. 1 Rupee, ND (1940). P-25b. PMG Gem Uncirculated 66 EPQ. Simply a beautiful example. At the time of cataloging, this is the nicest graded P-25b 1 Rupee by PMG making it the top pop.

\$2,000-\$3,000

\$2,000-\$3,000

Finest PMG Graded Pick 49a 5000 Rupees

30238

INDIA. Reserve Bank. 5000 Rupees, ND (1960). P-49a. PMG Very Fine 30. Jhun 6.10.2.2A. Bombay. An absolutely incredible offering, and the first of it's kind that we have offered in our lengthy history as any examples, even the more common 1954 versions in both issued and Specimen, are prohibitively rare. These were only in circulation a short time before being demonetized in 1978. Most pieces were returned which is why it is extremely difficult to find them after the demonetization, coupled with the obligation representing such a large amount of money for the time.

This example is the sole finest known for the catalog number with negligible PMG comments of "Annotations, Ink Stamps" which any seasoned collector knows are to be expected with this issue. Good centering and deep inks are noted. The paper is largely intact with some minor holes also typical for the issue. Ashoka column serving as the vignette at left, and also found at right as the watermark. H.V.R.IYENGAR Signature. Gateway of India, Bombay watermark on the reverse. To the left of center on the reverse is where the ink stamps are observed. This treasure is surely to be a staple of any World Paper Collection, and suitable for big game collectors, along with advanced collectors of India. Likely an opportunity that will not present itself again for quite some time.

\$30,000-\$40,000

Astonishing and Rare 10,000 Rupees Specimen Pick 50As - Reserve Bank of India ND (1960)

30239

INDIA. Reserve Bank. 10,000 Rupees, ND (1960). P-50As. Specimen. PMG About Uncirculated 55. Jhun6.11.2-3. Bombay. This note is one of the true treasures of India, and one of the highlights in this extremely collectible section of Indian Banknotes that we are offering. A key piece to even the most advanced of collections, with museum like allure due to its rarity as the sole example certified by PMG. Containing just a hint of circulation, but maintaining all pertinent detail with exquisite centering. Arched Reserve Bank of India on top with an Ashoka pillar at center, and serving as the left side's watermark. Rs/10,000/Rs watermark at right. H.V.R Iyengar signature at the Governor's Panel.

A language panel in Center on the reverse with the Reserve Bank of India arched above. Reserve Bank of India seal at bottom center with Dus Hazaar Rupaye in Hindi below the right watermark, and Ten Thousand Rupees below the left. Reserve Bank of India Seal type 1, with a type 4 language panel. The notes dimensions are 18.6 x 11.4 cm.

Issued notes of the type are very scarce since being demonetized as the majority were returned to banks, and their value was simply too high for the time to not be redeemed by most. This Specimen variety, being the only known example, hasn't surfaced in over half a decade, and is the first of its kind we have offered. This remarkable opportunity should bring excitement to the collecting community as a rare chance to own one of the true wonders of Indian paper money.

CUBA

31218

CUBA. Ingenio Esperanza Guantanamo. 2 Pesetas, 21-12-1875.

P-Unlisted. This note for wages, or vale, was the typical form of payment for the imported labor on Cuban sugar plantations in the 1800s. This labor force consisted largely of black African field workers, called braceros or macheteros, toiling and suffering under conditions that ranged from peonage to abject servitude. Working from sunup to sundown, their expected production of cutting and hauling of cane for the mill was between one and two tons each day, per worker. As a means of further control, these vales were redeemable only in the company-store owned and operated by the sugar mills. This note dates to 1875, more than a decade before the decree emancipating the slaves in Cuba.

The all-manuscript legend of the note reads "No. 212 / Para Guantanamo / Baro Cerro / dos pesetas / Cuba 21 Dbre 1875," followed below by the signature "Murciano". A strongly inked hand-stamp reads "YNGENIO ESPERANZA / GUANTANAMO" with the initials J B at center; this may refer to John Brooks, a principal of the Brooks Sugar Company, headquartered in New York City, owner of Esperanza, as well as several other Cuban sugar plantations during that era. The piece is well preserved, showing only mild circulation, including minor discoloration.

PARAGUAY

Scarce Tramway Ticket

31557

PARAGUAY. Empresa de Tramways de F. Morra. 10 Centavos, (ca.1885). P-Unlisted. Choice Uncirculated. This rare Paraguayan Tramway Company ticket is an example of the resourcefulness of people when confronted by an extreme shortage of circulating coinage. Although created as a ticket for a ten-centavo tram fare, its usage as substitute for a 10 c. note was wide-spread, and circulated so intensely that it became a numismatic rarity for future collectors.

This note is perfectly pristine and unimprovable, and will grade high uncirculated. Its original numbered stub is attached, and has never been folded.

The *Empresa de Tramways* rail line terminals were originally the Central Railway Station and Belvedere Park in Asuncion. Its limited reach led to financial difficulties, which the alert entrepreneur Dr. Francisco Morra saw as a business opportunity. He purchased the company from its prior owners for 10,000 Argentine Pesos. He had tickets printed in Buenos Aires by Guillermo Kraft, well known for printing many issues of provincial and private banknotes of Argentina. The uniface ticket-scrip shows a vignette of a horse-drawn tram at center. Included with this lot is an 1880s picture of the original tramway which shows the same actual horse-and-tram as in the vignette, on the tracks in Belvedere, Asuncion. The picture paired with the note adds a sharp dimension of historic realism. Two pieces, note plus photocopy. Not in "Money of the People" sale.

URUGUAY

Scarce Private Mercantile Scrip

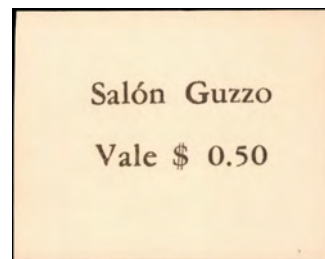

31769

URUGUAY. Banco de Credito & Mall of the Union. 5 Patacones, ND (1962) . P-Unlisted. Choice Very Fine. Business was supposed to be booming at the newly constructed Mall of the Union, but was dragging during repaving of Avenida 8 de Octubre, a major artery of Montevideo. The alarmed merchants desperately sought a means to turn sales around. Brainstorming together with the new Banco de Credito, successor to the Banco Italiano, and the board of directors of the Mall of the Union shopping center, they created a promotional campaign featuring the Patacon, the obsolete historical coinage of Uruguay.

In May of 1962, at a cost of just \$13,000, the association ordered 1,700,000 bearer notes from Barreiro & Ramos Printers in five denominations, differing only in color and face value, expressed in Patacones: 1 in red, 5 in orange, 10 in brown, 50 in violet, and 100 in blue. The notes were then issued by the Banco de Credito to the public, who could acquire them paying only 1% of their face value, e.g., 100 Patacones for \$1. The face of each note bears a vignette at right of the Church of San Agustin, established 1849; the back is taken up by a large vignette of the Villa of the Union, with the legend (in translation) "Member of the Banco de Credito Company Union, at 3927 Avenue 8 de Octubre," showing the address of the note issuer, the Banco de Credito. Spaces below are left for the bearer to provide name and address at redemption.

Lot 11225

Lot 11225 is Available for Bidding in Our August 2019 ANA U.S. Currency Auction Friday, August 16, 2019

11225

1890's American Bank Note Company, New York Presentation Frame. A remarkable numismatic treasure and possibly the only example available to the collecting community. On September 28, 1988 the American Bank Note Company auctioned off several elaborate collages that comprised of proofs that belonged to the foreign and United States bank notes which they had once printed through Christie's Robson Lowe New York.

A total of Ten frames were sold but just seven contained a combination of bank notes from select countries and various postage stamps. The former only consisted of vignettes and stamps. All seven were resold in Sotheby's October 24, 2007 auctioned as "Property from the HSBC Corporate Art Collection". Each frame brought a minimum of \$109,000, with the top frame realization bringing in an excess of \$300,000 in that sale. It is to our understanding that six of the seven were purchased from that sale and donated to the Numismatic Collection of Yale University. To the best of our knowledge, this is the only example that contains bank note proofs from the ABNC archive that is available to collectors.

At the center is a circular engraving of the Peruvian Coat of Arms. Above, "AMERICAN BANK NOTE COMPANY" tails across the entire frame. Below "NEW YORK". A bust of Washington is located at the bottom center. Around the border are 26 small portraits of Presidents, and others that have been used on various bank notes issued by the American Bank Note Company. "AMERICAN BANK-NOTE COMPANY, NEW YORK." etched into the gold painted wood frame in large letters at the bottom.

There are a total of 23 bank note proofs, from the United States, Argentina, Brazil, Chile, Panama, Peru, and Nova Scotia. There are 158 stamps proofs from: (16) Buenos Aires 1869 Law stamp essay, (16) Peru 1866-67 20 cent, and (126) Nova Scotia 1860-63 5 cent.

Banknote Highlights include:

Canada. The Ontario Bank, Montreal. \$20, (18xx).

Columbia/Panama. (2) Banco de Circulation y Desuento de Perez y Plans. 3 & 5 Pesos, (18xx).

Greece. Bank of Greece. 25 Drachmai, (1863-1867).

Peru. Banco Del Peru. 1000 Pesos, (18xx).

United States. Obsolete Currency. The City Bank of Poughkeepsie. \$20, (18xx)

United States. Federal Currency. 1861 \$50 Interest Bearing Note.

We encourage participation from the most advanced numismatic collectors as we feel a marvel such as this belongs, and will likely find its place among one of the finer collections of paper money in the world. With the ornate, extra large gold frame, this is a 'stop you in your tracks' museum piece. This particular treasure is without question one of the greatest wonders of Numismatic history we have ever had the privilege of offering in our extensive history.

Condition: Some discoloration and toning is seen from the backing. Some minor repairs are noted around the gold colored frame. Chips are seen around the frame. Minor paper repairs at top left border of the inner portion of the backing, with no notes appearing to have any repairs. Some of the notes show signs of toning due to the backing. Minor water stains at top and bottom backing. Some notes display minor toning.

Terms & Conditions – Showcase and Collectors Choice Auctions

1. Auction Basics. This is a public auction sale ("Auction Sale") conducted by bonded auctioneers, Stack's Bowers Galleries or Stack's Bowers and Ponterio (hereinafter referred to as "Auctioneer" and at times as "Stack's Bowers"). Bidding in this Auction Sale constitutes acceptance by you ("Bidder") of all the Terms of Sale stated herein. Bidders may include consignors who may bid and purchase lots in the Auction Sale consigned by the consignor or by other consignors pursuant to their consignment agreement with Stack's Bowers ("Consignor" or "Consignors"). A Consignor that bids on their own lots in the Auction Sale may pay a different fee than the Buyer's Premium charged to all other Buyers. Stack's Bowers reserves the right to include in any auction sale its own material as well as material from affiliated or related companies, principals, officers or employees. Stack's Bowers may have direct or indirect interests in any of the lots in the auction and may collect commissions. THE TWO PRECEDING SENTENCES SHALL BE DEEMED A PART OF THE DESCRIPTION OF ALL LOTS CONTAINED IN THE CATALOG. Where the Consignor has repurchased a lot and the lot is either returned to the Consignor or otherwise dealt with or disposed of in accordance with the Consignor's direction, or pursuant to contractual agreement, Stack's Bowers reserves the right to so note in the prices realized or to omit a price from the prices realized. Stack's Bowers and its affiliates may bid for their own account at any auction. Stack's Bowers and its affiliates may have information about any lot that is not known publicly, and Stack's Bowers and its affiliates reserves the right to use such information, in a manner determined solely by them and for their benefit, without disclosing such information in the catalog, catalog description or at the auction. Bidder acknowledges and agrees that Stack's Bowers and its affiliates are not required to pay a Buyer's Premium, or other charges that other Bidders may be required to pay and may have access to information concerning the lots that is not otherwise available to the public. Any claimed conflict of interest or claimed competitive advantage resulting therefrom is expressly waived by all participants in the Auction Sale. Lots may carry a reserve ("Reserve"). A Reserve is a price or bid below which the Auctioneer will not sell an item or will repurchase on behalf of the Consignor or for Stack's Bowers. Reserves may be confidential and not disclosed. The Buyer is the Bidder who makes the highest bid accepted by the Auctioneer, and includes the principal of any Bidder acting as an agent.

2. Descriptions and Grading. Bidder acknowledges that grading of most coins and currency in this Auction has been determined by independent grading services, and those that are not may be graded by Stack's Bowers. Grading of rare coins and currency is subjective and, even though grading has a material effect on the value of the coins and currency, grading may differ among independent grading services and among numismatists. Stack's Bowers is not responsible for the grades assigned by independent grading services, and makes no warranty or representation regarding such grades. Bidder further acknowledges and agrees that grades assigned by Stack's Bowers and lot descriptions are based solely upon an examination of the coins and currency and are intended to identify coins and currency and note any perceived characteristics. However, coin grading and descriptions are subjective. Stack's Bowers does not warrant the accuracy of such grading or descriptions, nor do they in any way form the basis for any bid. All photographs in this catalog are of the actual items being sold but may not be the actual size or to scale.

3. The Bidding Process. The Auctioneer shall have the right to open or accept the bidding on any lot by placing a bid on behalf of the Consignor or his or her agent; a Bidder by mail, telephone, Internet or telefax; or any other participant in the Auction Sale. Bids must be for an entire lot and each lot constitutes a separate sale. All bids must be on increment as established by the Auctioneer, or half increment (a cut bid). Non-conforming bids will be rounded down to the nearest full increment and this rounded bid will be the bidder's high bid. No lot will be broken up unless otherwise permitted by the Auctioneer. Lots will be sold in their numbered sequence unless Auctioneer directs otherwise. All material shall be sold in separate lots to the highest Bidder as determined by the Auctioneer. Auctioneer shall have the right in its sole and absolute discretion to accept or decline any bid, establish bid increments, challenge any bid or bidding increment, to reduce any mail bid received, adjudicate all bidding disputes, to exclude any bidder and to determine the prevailing bid. The Auctioneer shall have the right, but not the obligation, to rescind the acceptance of any bid and place the lot(s) for Auction Sale again. Auctioneer's decision on all bidding disputes shall be binding and final. For the mail and Internet Bidder's protection, no "unlimited" or "buy" bids will be accepted. When identical bids are received for a lot, preference is given to the first bid received as determined by the Auctioneer. A mail bid will take precedence over an identical floor bid; a Floor Bidder, Telephone Bidder and Live Internet Bidder

must bid higher than the highest mail bid to be awarded any lot. Cut bids are only accepted on bids greater than \$500 and each bidder may only execute one cut bid per lot. Bids will not be accepted from persons under eighteen (18) years of age without a parent's written consent which acknowledges the Terms of Sale herein and agrees to be bound thereby on behalf of the underage Bidder. The auction sale is complete when the Auctioneer so announces by the fall of the hammer or in any other customary manner.

THIS IS NOT AN APPROVAL SALE. Bidders who physically attend the Auction sale, either personally or through an agent ("Floor Bidders") should carefully examine all lots which they are interested in purchasing. Bidders who bid by telephone, either personally or through an agent, or through our live auction software receive a similar benefit as Floor Bidders in being able to actively participate in the live Auction Sale ("Telephone Bidders" and "Live Internet Bidders"). Except as otherwise expressly provided in these Terms of Sale, NO PURCHASED ITEMS MAY BE RETURNED FOR ANY REASON. All prospective Bidders who examine the lot(s) prior to the Auction Sale personally assume all responsibility for any damage that Bidder causes to the lot(s). Stack's Bowers shall have sole discretion in determining the value of the damage caused, which shall be promptly paid by such Bidder.

Certain auctions or auction sessions, will be conducted exclusively over the Internet, and bids will be accepted only from pre-registered Bidders.

STACK'S BOWERS IS NOT RESPONSIBLE FOR ANY ERRORS IN BIDDING. All Bidders should make certain to bid on the correct lot and that the bid is the bid intended. Once the hammer has fallen and the Auctioneer has announced the Buyer, the Buyer is unconditionally bound to pay for the lot, even if the Buyer made a mistake. Stack's Bowers reserves the right to withdraw any lot at any time, even after the hammer has fallen, until the Buyer has taken physical possession of the lot. No participant in the Auction Sale shall have a right to claim any damages, including consequential damages if a lot is withdrawn, even if the withdrawal occurs after the Auction Sale.

4. Bidder Registration Required. All persons seeking to bid must complete and sign a registration card either at the auction or online, or otherwise qualify to bid, as determined in the sole discretion of the Auctioneer. By submitting a bid, the Bidder acknowledges that Bidder has read the Terms and Conditions of Auction Sale, the descriptions for the lot(s) on which they have bid, and that they agree to be bound by these Terms of Sale. This agreement shall be deemed to have been made and entered in California. The Bidder acknowledges that the invoice describing a lot by number incorporates the catalog and Terms of Sale. Person appearing on the OFAC list are not eligible to bid.

5. Buyer's Premiums. A premium of twenty percent (20%) based upon the total amount of the hammer (minimum of \$20), will be added to all purchases of individual lots, regardless of affiliation with any group or organization (the "Buyer's Premium"). A reacquisition charge may apply to Consignors pursuant to a separate agreement, which may be higher or lower than the Buyer's Premium.

6. Payment. Payment is due immediately upon the fall of the auctioneer's hammer. Payment is delinquent and in default if not received in full, in good funds, within fourteen (14) calendar days of the Auction Sale (the "Default Date"), without exception, time being of the essence. Unless otherwise agreed in writing prior to the Auction Sale, all auction sales are payable strictly in U.S. Dollars, Hong Kong Dollars or Chinese Renminbi. All invoices will be made in United States Dollars. If paying in Hong Kong Dollars or Chinese Renminbi, Buyer's invoices will be credited with the amount of U.S. Dollars received from Auctioneer's bank. Payments may be made by credit card, Paypal, Union Pay, check, wire transfer, money order and cashier's check. Cash transactions will be accepted in the sole discretion of Stack's Bowers, and if accepted, for any cash transaction or series of transactions exceeding \$10,000, a Treasury Form 8300 will be filed. Stack's Bowers reserves the right not to release lots for which good funds have not yet been received. On any past due accounts, Stack's Bowers reserves the right, without notice, to extend credit and impose carrying charges (as described

below). Buyers agree to pay reasonable attorney's fees and cost incurred to collect past due accounts. Any invoice not paid by the Default Date will bear a five percent (5%) late fee on the invoice amount. Buyers personally and unconditionally guarantee payment in full of all amounts owed to Stack's Bowers. Any person submitting bids on behalf of a corporation or other entity, by making such bid, agrees to be personally jointly and severally liable for the payment of the purchase price and any related charges and the performance of all Buyer obligations under these Terms of Sale and Stack's Bowers reserves the right to require a written guarantee of such payments and obligations. Bidders who have not established credit with Stack's Bowers must furnish satisfactory information and credit references and/or deposit at least twenty-five percent (25%) of their total bids for that Auction Sale session(s) or such other amount as Stack's Bowers may, in its sole and absolute discretion require before any bids from such Bidder will be accepted. Deposits submitted will be applied to purchases. Any remaining deposits will be promptly refunded, upon clearance of funds.

7. Sales Tax. Buyers will be charged all applicable sales tax unless a valid Resale Certificate has been provided to the Auctioneer prior to the auction. Should state sales tax become applicable in the delivery state prior to delivery of the property on the invoice, the Buyer agrees to pay all applicable state sales tax as required by the delivery state as of the shipping date. In the event any applicable sales tax is not paid by Buyer that should have been paid, even if not such tax was not charged or collected by Stack's Bowers by mistake, error, negligence or gross negligence, Buyer nonetheless acknowledges responsibility to pay such sales tax and remains fully liable for and agrees to promptly pay such taxes on demand, together with any interest or penalty that may be assessed by the taxing authority and agrees to indemnify and hold Auctioneer harmless from any applicable sales tax, interest or penalties due. Lots from different Auctions may not be aggregated for sales tax purposes.

8. Financial Responsibility. In the event any applicable conditions of these Terms of Sale herein are not complied with by a Buyer or if the Buyer fails to make payment in full by the Default Date, Stack's Bowers reserves the right, in its sole discretion, in addition to all other remedies which it may have at law or in equity to rescind the sale of that lot or any other lot or lots sold to the defaulting Buyer, retaining all payments made by Buyer as liquidated damages, it being recognized that actual damages may be speculative or difficult to compute, and resell a portion or all of the lots held by Stack's Bowers, in a commercially reasonable manner, which may include a public or private sale, in a quantity sufficient in the opinion of Stack's Bowers to satisfy the indebtedness, plus all accrued charges, and Stack's Bowers may charge a seller's commission that is commercially reasonable. More than one such sale may take place at the option of Stack's Bowers. If Stack's Bowers resells the lots, Buyer agrees to pay for the reasonable cost of such sale, together with any incidental costs of sale, including reasonable attorney's fees and costs, cataloging and any other reasonable charges. Notice of the sale shall be by U.S.P.S. Certified Mail, Return Receipt Requested to the address utilized on the Bid Sheet, Auction Consignment and Security Agreement or other last known address by Stack's Bowers. The proceeds shall be applied first to the satisfaction of any damages occasioned by Buyer's breach, then to any other indebtedness owed to Stack's Bowers, including without limitation, commissions, handling charges, carrying charges, the expenses of both sales, seller's fees, reasonable attorneys' fees, costs, collection agency fees and costs and any other costs or expenses incurred. Buyer shall also be liable to Stack's Bowers for any deficiency if the proceeds of such sale or sales are insufficient to cover such amounts.

Buyer grants to Stack's Bowers, its affiliates and assignees, the right to offset any sums due, or found to be due to Stack's Bowers, and to make such offset from any past, current, or future consignment, or purchases that are in the possession or control of Stack's Bowers; or from any sums due to Buyer by Stack's Bowers, its affiliates and assignees. In addition, defaulting Buyers will be deemed to have granted to Stack's Bowers, its affiliates and assignees, a security interest in: (x) the purchased lots and their proceeds, and (y) such sums or other items and their proceeds, in the possession of Stack's Bowers, its affiliates or assignees, to secure all indebtedness due to Stack's Bowers and its affiliated companies, plus all accrued expenses, carrying charges, seller's fees, attorney fees, and costs, until the indebtedness is paid in full. Buyer grants Stack's Bowers the right to file a UCC-1 financing statement for such items, and to assign such interest to any affiliated or related company or any third party deemed appropriate by Stack's Bowers. If the auction invoice is not paid for in full by the Default Date, a carrying charge of one-and-one-half percent (1-1/2%) per month may be imposed on the unpaid amount until it is paid in full. In the event this interest rate exceeds the interest

permitted by law, the same shall be adjusted to the maximum rate permitted by law, and any amount paid in excess thereof shall be allocated to principal. Buyer agrees to pay all reasonable attorney's fees, court costs and other collection costs incurred by Stack's Bowers or any affiliated or related company to collect past due invoices or to interpret or enforce the terms hereof or in any action or proceeding arising out of or related to the Auction Sale. Stack's Bowers reserves the right to assign its interest to any third party. To the extent that the Buyer for any lot consists of more than one person or entity, each such person or entity is jointly and severally liable for all obligations of the Buyer, regardless of the title or capacity of such person or entity. Stack's Bowers shall have all the rights of a secured creditor under Article 9 of the California Commercial Code and all rights of the consignor to collect amounts due from the Buyer, whether at law or equity.

9. Shipping. It is the Buyer's responsibility to contact Stack's Bowers after the sale to make shipping and packaging arrangements. Due to the fragile nature of some lots, Stack's Bowers may elect not to assume responsibility for shipping or packing, or may charge additional shipping and handling. Lots indicated as being "framed" or that are specifically identified in the catalog are shipped at Buyer's risk. All taxes, postage, shipping, if applicable, handling, insurance costs, the Buyer's Premium, and any other fees required by law to be charged or collected will be added to the invoice for any lots invoiced to Buyer. All lots shipped to foreign countries will be billed an additional one-half percent (1/2%) for insurance (minimum of \$10). For any lots delivered outside the United States, the declaration value shall be the item(s) hammer price plus its buyer's premium. Auctioneer shall not be liable for any loss caused or resulting from seizure or destruction under quarantine or customs regulation or confiscation by order of any government or public authority. Buyer shall be responsible for paying all applicable taxes, duties and customs charges for all lots delivered outside the United States. All lots will be shipped FOB Destination, freight prepaid and charged back. Title and risk of loss pass to the Buyer at the destination upon tender of delivery. Acceptance of delivery constitutes acceptance of the purchased lots. Inspection of the purchased lots is not required for acceptance. Any and all claims based upon Buyer's failure to receive a purchased lot, Buyer's receipt of a lot in damaged condition, or otherwise related to delivery, must be received in writing by Stack's Bowers no later than the earlier of thirty (30) days after payment, or the date of the Auction Sale (the "Outside Claim Date"). As Buyers may not receive notification of shipment, it is Buyer's responsibility to keep track of the Outside Claim Date and make timely notification of any such claim. The failure to make a timely claim, time being of the essence, shall constitute a waiver of any such claim. Orders paid by credit card will only be shipped to the verified address on file with the credit card merchant.

10. DISCLAIMER AND WARRANTIES. NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE IS MADE OR IMPLIED ON ANY LOT. NO WARRANTY, WHETHER EXPRESSED OR IMPLIED, IS MADE WITH RESPECT TO ANY LOT EXCEPT FOR WARRANTY OF TITLE, AND IN THE CASE OF TITLE, AUCTIONEER IS SELLING ONLY THAT RIGHT OR TITLE TO THE LOT THAT THE CONSIGNOR MAY HAVE AS OF THE AUCTION SALE DATE. ALL LOTS ARE SOLD "AS IS" AND WITH ALL FAULTS. PURCHASER HEREBY ASSUMES ALL RISKS CONCERNING AND RELATED TO THE GRADING, QUALITY, DESCRIPTION, CONDITION, AND PROVENANCE OF A LOT.

COINS AND CURRENCY LISTED IN THIS CATALOG GRADED AND ENCAPSULATED BY PCGS, NGC, ANACS, ICG, PCGS CURRENCY, PMG, PCGS BANKNOTE GRADING, CMC OR ANY OTHER THIRD PARTY GRADING SERVICE MAY NOT BE RETURNED FOR ANY REASON WHATSOEVER BY ANY BUYER. ALL THIRD PARTY GRADING SERVICE GUARANTEES, INCLUDING AUTHENTICITY, ARE THE SOLE RESPONSIBILITY OF THE THIRD PARTY GRADING SERVICE AND NOT WARRANTIES OR GUARANTEES OF THE AUCTIONEER.

b. In the case of non-certified coins and currency that have neither been examined by the Buyer prior to the Auction Sale, nor purchased by the Buyer or Buyer's agent at the Auction Sale, if it is determined in a review by Stack's Bowers that there is a material error in the catalog description of a non-certified coin or currency, such lot may be returned, provided written notice is received by Stack's Bowers no later than seventy-two (72) hours of delivery of the lots in question, and such lots are returned and received by Stack's Bowers, in their original, sealed containers, no later than fourteen (14) calendar days after delivery, in the same condition the lot(s) were delivered to the Buyer, time being of the essence. c. All non-certified coins and currency are guaranteed to be genuine.

d. If an item or items are returned pursuant to the terms herein, they must be housed in their original, sealed and unopened container.

e. Late remittance or removal of any item from its original container, or altering a coin constitutes just cause for revocation of all return privileges.

f. Grading or condition of rare coins and currency may have a material effect on the value of the item(s) purchased, and the opinion of others (including independent grading services) may differ with the independent grading services opinion or interpretation of Stack's Bowers. g. Questions regarding the minting of a coin as a "proof" or as a "business strike" relate to the method of manufacture and not to authenticity.

h. All oral and written statements made by Stack's Bowers and its employees or agents (including affiliated and related companies) are statements of opinion only, and are not warranties or representations of any kind, unless stated as a specific written warranty, and no employee or agent of Stack's Bowers has authority to vary or alter these Terms and Conditions of Auction Sale. Any variation or alteration shall be effective only if in writing and signed by an officer of Stack's Bowers authorized to do so.

i. Stack's Bowers is acting as an auctioneer. Title to the lots purchased passes directly from the Consignor to the Buyer. Accordingly, Stack's Bowers is not making, and disclaims, any warranty of title.

j. Bidders shall have no recourse against the Consignor for any reason whatsoever.

k. Bidder acknowledges that the numismatic market is speculative, unregulated and volatile, and that coin prices may rise or fall over time. Stack's Bowers does not guarantee or represent that any customer buying for investment purposes will be able to sell for a profit in the future.

l. Bidder acknowledges and agrees that neither Stack's Bowers, nor its employees, affiliates, agents, third-party providers or consignors warrant that auctions will be uninterrupted, uninterrupted or error free and accordingly shall not be liable for such events.

It is the intention of Bidder that this waiver and release shall be effective as a bar to each and every Claim that may arise hereunder or be related to the Auction Sale, and Bidder hereby knowingly and voluntarily waives any and all rights and benefits otherwise conferred upon him by the provisions of Section 1542 of the California Civil Code, which reads in full as follows:

"A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY."

12. Disputes. If a dispute arises concerning ownership of a lot or concerning proceeds of any sale, Stack's Bowers reserves the right to commence a statutory inter-pleader proceeding at the expense of the Consignor and Buyer and any other applicable

party, and in such event shall be entitled to its reasonable attorneys' fees and costs. Stack's Bowers reserves the right to cancel or postpone the Auction Sale or any session thereof for any reason whatsoever. No Bidder shall have any claim as a result thereof, including for incidental or consequential damages. Neither Stack's Bowers nor any affiliated or related company shall be responsible for incidental or consequential damages arising out of any failure of the Terms of Sale, the auction or the conduct thereof and in no event shall such liability exceed the purchase price, premium, or fees paid. Rights granted to Bidders under the within Terms and Conditions of Auction Sale are personal and apply only to the Bidder who initially purchases the lot(s) from Stack's Bowers. Any attempt to assign or transfer any such rights shall be absolutely void and unenforceable. No third party may rely on any benefit or right conferred by these Terms and Conditions of Auction Sale.

Any dispute arising out of or related to these Terms of Sale, the Auction Sale or any lot, with the sole exception of actions by Stack's Bowers to collect amounts owed to it and other damages, shall be submitted to binding arbitration pursuant to the commercial arbitration rules of the American Arbitration Association, with any arbitration hearing to occur in Orange County, California. Absent an agreement of the parties, the arbitrator shall limit discovery to that which is necessary to enable the hearing to proceed efficiently. The arbitrator shall not have the power to award punitive or consequential damages, nor alter, amend modify any of the terms of this Agreement. The award by the arbitrator, if any, may be entered in any court having jurisdiction thereof. Each party shall pay one-half the costs of the arbitration. Bidder acknowledges and agrees that the competent courts of the State of California shall have exclusive in personam jurisdiction, subject to the requirement to arbitrate, over any dispute(s) arising hereunder, regardless of any party's current or future residence or domicile.
